

Alexandra

5542 W. Secret Canyon Circle, Herriman

Stonebrook Homes has constructed this spectacular 10,000-square-foot home in the foothills of Herriman. This one-of-a-kind dwelling was designed to capture magnificent views of the entire Wasatch Front. The outdoor fireplace provides serenity to those who enjoy relaxing on large covered decks which overlook the rolling landscape. The wonderful views are not limited to the three decks since the great room has 20-foot high ceilings with glass walls and natural stone surrounding the fireplace.

HOME HIGHLIGHTS:

- Valley views from nearly every main area of the home
- Elegant kitchen with two islands
- Two main entries
- Master show spa
- New England-style office
- Three outside elevated decks
- Four-car garage
- Beautiful tiered landscaping
